About Us

- Suruuh Alrushd Law Firm for Legal Consultations and Arbitration is a premier Saudi professional firm headquartered in Riyadh. Built upon a robust foundation of legal, regulatory, and executive expertise, we deliver comprehensive legal protection and highly precise strategic solutions designed to safeguard the assets and interests of the corporate sector, government entities, and investment institutions.
- Established as a strategic partner of choice for specialized legal and advisory services, Suruuh Alrushd professionally balances the methodology of preventive justice with highly proficient judicial representation.
- Our practice integrates a profound understanding and rigorous analysis of the Saudi legislative and executive ecosystem with a formidable practical presence before courts of all instances, judicial and quasi-judicial committees, and local and international arbitration centers.
- We focus on translating statutory texts and executive regulations into proactive, sustainable frameworks that empower our clients to achieve sustainable growth and mitigate operational and financial risks, fully aligned with the ongoing economic transformation and strategic objectives of Saudi Vision 2030.

Vision

To serve as the legal reference of choice and the primary partner for the business sector in the Kingdom of Saudi Arabia, delivering integrated advisory and representation services that adhere to the highest global standards and actively support the local investment ecosystem.

Mission

To establish the pillars of legal protection and preventive justice for our clients, and empower their organizations to achieve their strategic objectives through innovative, pragmatic legal solutions. Extensive practical ex-pertise and an in-depth understanding of all regulatory frameworks and their continuous updates drive our approach.

Acting as a trusted legal partner, we are committed to driving our clients' institutional growth. We uphold the highest levels of transparency and op-erational integration to protect their rights and proactively manage risks. Our institutional strength is demonstrated by the precision of our legal counsel, absolute confidentiality, and agile response to market dynamics, which grant business leaders and stakeholders the confidence to make critical investment decisions.

Core Values

Integrity & Independence

Absolute commitment to transparency, impartiality, and objectivity in delivering counsel, maintaining uncompromising professional neutrality.

Responsibility & Commitment

Earnest fulfillment of obligations and project timelines, with rigorous follow-up on the implementation of recommended solutions to guarantee desired outcomes.

Proficiency & Excellence

Executing mandates, drafting regulations, and preparing legal memoranda with the highest degree of statutory precision.

Continuous Development

Continuously adapting to legislative changes and modern regulatory frameworks, utilizing advanced tools for legal and organizational analysis.

Confidentiality

Safeguarding client data and interests as a paramount priority, governed by the latest corporate governance and information security frameworks.

Strategic Objectives

- **Empowering the Business & Investment Environment:** Providing holistic regulatory support that enables companies to achieve sustainable growth while circumventing prolonged disputes.
- **Leadership in Specialized Practices:** Delivering highly precise, specialized services in arbitration, bankruptcy, corporate governance, and strategic litigation.
- **Fostering Commercial Reliability:** Elevating transparency to attract both local and foreign investments, directly supporting the national strategic vision.

Why Choose Suruuh Alrushd? (Competitive Advantages)

- **Applied Field Expertise:** Our team's extensive practical and statutory experience provides a profound understanding of litigation trajectories and judicial mechanisms. This ensures that legal memorandums and evidence are drafted to fortify our clients' legal position.
- **Preventive Justice Approach:** Proactively averting and containing legal risks before they materialize through meticulous contract drafting and the design of robust governance frameworks that protect and sustain investments.
- **Commercial Acumen:** Providing legal counsel that goes beyond text clarification, offering agile, executive solutions designed to facilitate business growth and commercial expansion.
- **Strategic Alignment with Saudi Vision 2030:** Actively contributing to a transparent, reliable investment environment by elevating compliance standards, protecting intellectual property rights, and driving institutional transformation.

Our Professional Services

Governance & Legal Department Development

Corporate & Institutional Governance: Drafting and developing in-ternal bylaws, regulatory charters, and governance policies for exec-utive management and affiliated committees, ensuring strict compli-ance and mitigating conflicts of interest.

Legal Department Enablement: Supporting legal departments with-in commercial and government entities by reviewing and optimizing their operational frameworks, contract templates, and internal pro-cesses to maximize executive efficiency.

Disputes & Litigation

Specialized Judicial Representation: Pleading and managing client cases before general courts, administrative courts (Board of Grievances), and judicial and quasi-judicial committees across commercial, financial, real estate, and labor disputes.

Case Management & Legal Drafting: Preparing and drafting statements of claim, statements of defense, objection memorandums, and appellate and cassation briefs in a rigorous judicial style grounded in Islamic Sharia and applicable regulatory frameworks.

Tax and Customs Disputes: Specialized legal representation before quasi-judicial committees and dispute resolution tribunals, providing strategic counsel to protect clients' rights and resolve regulatory infractions with high statutory efficiency.

Intellectual Property & Innovation

Protection of Knowledge Assets: Executing comprehensive procedures for the registration of trademarks, patents, and copyrights.

Franchise Agreements & IP Disputes: Drafting and auditing commercial franchise contracts and investment licenses, alongside expert litigation in intellectual property infringement claims.

Transactions, Deals, and Wealth Management

Contract Drafting & Corporate Restructuring: Preparing and auditing complex commercial agreements, and executing strategic re-structuring for investment entities and family businesses.

Legal Due Diligence: Conducting exhaustive legal due diligence before commercial transactions, mergers, and acquisitions to identify regulatory risks and assess legal implications.

Wealth Preservation & Succession Planning: Structuring legal frameworks to preserve and manage investments and assets, establishing robust governance mechanisms for seamless generational succession within family businesses and private estates.

Arbitration & Mediation

Arbitration Representation: Providing expert legal representation and pleading in local and international arbitration disputes.

Arbitration Clause Structuring: Drafting arbitration agreements and contractual clauses with absolute precision, and serving on arbitration tribunals as certified arbitrators to resolve complex commercial and technical disputes.

Liquidation & Bankruptcy

Bankruptcy Proceedings & Advanced Solutions: Managing and executing bankruptcy cases across all regulatory tracks (preventive settlement, financial restructuring, and liquidation) in strict compliance with the Saudi Bankruptcy Law.

Asset & Estate Liquidation: Systematically managing the liquidation of corporate assets, funds, and joint estates utilizing a highly specialized, statutory approach.

A black flag with white Arabic text and a scale of justice symbol, flying in front of a modern glass skyscraper and palm trees. The text on the flag reads "صروح الرشيد للمحاماة" (Suruuh Alrushd Law Firm).

Our Team & Strategic Leadership

An elite cadre of lawyers, consultants, and experts who combine exceptional academic qualifications with specialized judicial and executive expertise in commercial law, arbitration, bankruptcy, and legislative developments leads the firm.

Bassam Ali Alsuhaibani, Lawyer and Certified Arbitrator

Offers advanced judicial and advisory expertise in complex commercial, financial, and real estate disputes. Holds a Master's degree in Commercial Law, is a PhD researcher in Law, and possesses specialized licenses in arbitration and bankruptcy proceedings.

Abdulrahman Ahmed Aloraini, Lawyer and Certified Arbitrator

Bringing extensive experience in litigation and corporate advisory, special-izing in commercial disputes, supply chain contracts, construction con-tracts, complex commercial agreements, corporate entities, commercial franchises, and intellectual property claims. He holds a Master's degree in Law, a Higher Diploma in Legal Sciences, and is currently a PhD re-searcher in Law.

Dr. Abdullah Ahmed Aloraini, Business Development and In-stitutional Transformation Advisor

Possesses exceptional expertise in corporate strategy development, project management, and institutional transformation. Holds a Master of Business Administration (MBA) from Alfaisal University, alongside global professional certifications in project management and enterprise agility.

Target Sectors

Government & Semi-Government Sector

Assisting ministries, official institutions, and public sector entities in re-viewing and drafting legislation and executive regulations, developing governance and compliance frameworks, and delivering advanced organizational consulting aligned with national strategies.

Commercial & Investment Sector

Delivering comprehensive legal support to local and foreign corporations and institutions through proactive legal counsel, executive business enablement, and authoritative judicial representation.

Family Businesses & Private Investors

Delivering strategic legal protection for assets and investments, structuring partnership and commercial alliance agreements, managing wealth and estates, and institutionalizing governance frameworks for seamless generational succession.
